Dear Brothers / Sisters,

RE: CONSULTATIVE MEETING WITH THE CEO OVER MEDIA REPORTS

Following the reports that have continued to appear in the media, we sought audience with the CEO to establish the truth on the reports that France Telkom plans to exit from Kenya Market by the end of this year (2014).

Consequently, we held a meeting with the CEO on 31st March 2014 where the CEO informed us that the reports are a creation of the media and competitors in the field who are trying to sabotage the operations of the company.

The CEO reiterated that Telkom is a health company and there are no plans by the investor to exit the Kenyan Market soon. We therefore urge you to ignore the reports and continue working as usual.

Meanwhile we thank you all for the support you have continued to give us.

Yours faithfully,

BENSON O. OKWARO
