Dear Sir,

**RE: SALE OF TELKOM (K) LTD**

Refer to the above subject and reports appearing in our local newspapers that negotiations on the sale of Telkom Kenya Ltd will be concluded by the end of this month.

The issue is causing so much anxiety and speculation among staff and other stakeholders yet you have not confirmed or denied the reports. We believe information is very important and all stakeholders have a right to know the true position of the impending sale.

As a union, we need to understand if the staff will be affected by the sale of the company and to what extent. As spelt out in our Recognition Agreement and CBA, we are supposed to engage as parties on any issue that affects our members.

Consequently we demand that we are brought into the picture on the progress of this matter.

We await your quick response on the issue.

Yours faithfully,

  
**BENSON O. OKWARO**
